Dear Sir / Madam,

we thank you for your interest in teaching English in the Czech and Slovak Federal Republic.

Unfortunately we have no openings for the 1991/1992 academic year, as all the requirements received by our Agency from elementary and secondary schools have already been met. Should you wish to consider teaching here in the following academic year 1992/1993 we shall be happy to add your name to our active list. Please let us know your decision by the end of 1991.

For your information we would like to inform you that we need experienced teachers who would like to teach a whole academic year at primary and secondary schools mainly in the smaller towns of our republic. There is very little possibility of obtaining a teaching position in Prague.

Teachers receive a salary according to the same principles as Czechoslovak teachers /approx. 2.500 - 3.000 Czechoslovak crowns a month/.

Accommodation will be arranged for by the school, it should be reasonably priced or free of charge. There is no possibility to arrange accommodation for a whole family or a family house.

Teachers must pay their own travel expenses to and from Czechoslovakia.

Thank you again for your interest and we look forward to hearing from you.

Sincerely yours

Jaromíra Václavová
